

Home Delivery Ts & Cs:

Orders must be received by 4pm for delivery within the following 3 business days. Customers will receive an SMS the evening before notifying of delivery the next day. If you are not home at the time of delivery the driver will attempt to contact you. If we cannot contact you the order will be left in an appropriate place.

Items are left at customers risk, including perishables. We recommend you are home to receive the order. If you cannot be home, we recommend leaving out a large esky/cooler containing ice or an ice pack for the order to be left in.

Delivery times cannot be advised.

If you have any questions or special requirements please call out customer service team on 59573333.
