

Rochford. Captivate the senses.

The Yarra Valley is one of Victoria's premium cool climate wine regions.

Rochford is family owned and operates a well-established vineyard in the Yarra Valley founded in 1985.

The wines produced have earned great respect, being hand crafted using fruit sourced from four exceptional vineyards, and through great skill in their making, impart a true expression of the terroir of each site. We aim to express the unique terroir of each of three cool climate sites, endeavouring to respectfully articulate the inherent influence of soils, seasons and favourable site specific features.

Rochford's wines have been highly acclaimed, resulting from exemplary care and sustainable management in the vineyards, followed by diligent attention in the winery by our talented team of winemakers. We consistently produce exceptional whites with purity, balance and length, and elegant reds with finesse, flavour and longevity. Their signature of excellence is discernible across the entire range.

With our core focus on Chardonnay, Pinot Noir and Cabernet Sauvignon, our reserve range features several ultra-premium single vineyard wines, each beautifully expressing the individuality of each site on which they are grown.

TOOLANGI VINEYARD, located in the northern Yarra Valley region of Dixons Creek, Toolangi Vineyards is a special site for growing grapes. Sheltered by the Toolangi State Forest on one side, the vines are positioned on undulating slopes and the block design follows the natural curve of the land. Planted in 1995, with additional plantings in 2001, the site produces premium Chardonnay, Pinot Noir and Shiraz. Toolangi Vineyards operates on the principals of sustainable and holistic viticulture so the wines capture the spirit of this special vineyard and reflect each season.
